FISCAL MEMORANDUM

SB 914 - HB 1020

March 29, 2021

SUMMARY OF ORIGINAL BILL: Requires a local education agency (LEA) to provide each student enrolled in the LEA who is 18 years of age on or before a date of election with voter registration information by hand delivery, mail, or email.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (006227): Deletes all language after the enacting clause and rewrites the bill such that the substantive changes: (1) require the information to be provided during the academic year; and (2) require the voter registration information to be prepared by the local election commission or the Secretary of State.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- The Secretary of State and local county election commissions currently post voter registration information on their respective websites.
- The proposed legislation provides LEA several methods to distribute voter registration information to students; it is assumed that LEAs will hand deliver or email the information, which can be done within existing resources.
- Requiring LEAs to distribute voter registration information to students will not significantly impact processes or procedures of LEAs. Any fiscal impact will be not significant.
